Letter from the President

This eleventh annual Emergency Medical Services Conference is open to all EMS, Fire, Police, Security, Nurses, Physicians and other Health Care Professionals, Hospital Administrators, Government and Facility Managers. The conference has five tracts of five workshops each for a total of 25 workshops. The tract areas are BLS, ALS, Trauma, Fire EMS, and Management/Training. Continuing educational units for EMTs are awarded. Two additional workshops will be presented on Thursday evening.

An outstanding faculty of experienced professionals has been assembled. This conference should help improve the delivery of Emergency Medical Services. Many scientific and product exhibits will be present.

The Conference will again host a two-day silent auction. Those wishing to donate items or assist can contact Jackie Coates, Auction Chair, at jcoates@frontiernet.net or write to STEP.

This registration form can also be obtained from the STEP website at <http://www.stepems.org>, printed, and mailed with the registration fee.

We invite you to participate.

**Jacqueline Coates, FNP-C, EMT-P, President
STEP Council of the Genesee Region, Inc.**

Featured Speakers

Catherine G. Ansuini, Ph.D., is the Chairman of the Department of Health and Wellness at Buffalo State College. Her educational background includes health, physical education, recreation, exercise physiology, gerontology, and preventive health. She is very active within the field of health promotion as an author, researcher, television personality, nationally recognized keynote speaker and motivational leader within her community. She is best recognized for her energetic and humorous delivery of accurate Health and Wellness Information.

Randy Mantooth who starred in the television series Emergency as paramedic/firefighter John Gage was born in Sacramento California. A degree from the American Academy of Dramatic Arts in New York led to a contract with Universal Studios. He then appeared in numerous primetime TV series such as The Bold Ones, Adam-12, McCloud, Alias Smith and Jones, Owen Marshall and Marcus Welby, MD. For over six and half years Randy was paired with actor Kevin Tighe to star in Emergency on NBC. Randy depicted paramedic/firefighter John Gage as part of the paramedic team assigned to Squad 51 of the Los Angeles Fire Department. Check out Randy at randymantooth.com and Celebrity appearances are subject to change.

Jerry Pierrotti is a Responsible Care Manager for Arch Chemicals, Inc, which has a location in Rochester, New York. Jerry is located in Lake Charles, La and travels to Arch locations to instruct the employees on Techniques to place their body in the best winning position to accomplish their job. His education background includes Associates in Fire Science from LSU, as well as a Bachelor of Science in Fire & Safety Engineering Technology from the University of Cincinnati. His career includes positions in the field of Health, Safety, and Emergency Response such as Chemical Shift Safety Technician, Fire Fighter, Paramedic, Captain, Safety Officer and Incident Commander. He has been an instructor in all aspects of Emergency Response including Medical, Hazmat, Fire Rescue. He has been the Conference Chairman and speaker at several Louisiana State EMS Conferences. His topic is "How to make your Body the Best Tool in your Tool Box." Jerry is sponsored by Arch Chemicals.

Workshop and Faculty Information

The Conference includes five different workshops tracts: BLS, Advanced, Trauma, Fire/EMS, and Management/Training. A total of 25 workshops are being presented with a wide range of topics.

Please review the workshop choices carefully. It is suggested that members of your organization select different workshops to bring back to your organization a wide variety of information. Please fill out the registration form completely so that you are listed for all activities you plan to attend and you receive future Conference mailings directly.

We are again very fortunate to have outstanding teachers for all the workshops. The faculty will provide an outline of the workshop information they plan to present in those areas that are applicable. This material will be distributed during the workshop.

STEP hopes you have a significant learning experience at this Conference that will benefit you and the patients you care for.

The mission of STEP is to inform and educate the EMS community and promote opportunities for the improvement of the EMS system.
